

# Deal With The Devil

Pop Evil

I... can't... get...  
Away with murder.  
I... am... bound...  
To take it further.

I took the pills.  
(I) I've been consumed.  
(I) I drank the water.  
(I) I had to choose.  
I'm still here with a fire burning, burning inside.  
If you want to burn, light it up, light it up, let it rise (let it right?).

When you're high, who ya flyin for?  
When you ride, who ya ridin for?  
When you toast, who ya drinkin for?  
When you play, gotta deal with the devil.

(High) Gotta deal with the devil.  
(High) Gotta deal with the devil.  
(High) Gotta deal with the devil.

I... have... found...  
Comfort in sorrow.  
Now... I'm... bound...  
Empty and hollow.

I took the pills.  
(I) I've been consumed.  
(I) I drank the water.  
(I) I had to choose.  
I'm still here with a fire burning, burning inside.  
If you want to burn, light it up, light up, let it rise (light it right?).

When you're high, who ya flyin for?  
When you ride, who ya riding for?  
When you toast, who ya drinking for?  
When you play, gotta deal with the devil.

(High) Gotta deal with the devil.  
(High) Gotta deal with the devil.  
(High) Gotta deal with the devil.

Let it rise! (Light it right!)

When you're high, who ya flyin for?  
When you ride, who ya ridin for?  
When you toast, who ya drinking for?  
When you play, gotta deal with the devil.

(High) Gotta deal with the devil. [x7]
