

## Survivor

Pop Evil

If I wasn't good enough to finally succeed  
Then I couldn't love the reasons that I still bleed  
It's getting harder to walk, I guess I'll just have to run  
Headed straight off a cliff, I'm not like everyone

I'm a survivor, come ride with me  
Been through hell and back, don't need your sympathy  
Everything I wanted is right in front of me, yeah  
I'm a survivor, come ride with me

Come ride with me, yeah  
Come ride with me

Keep my head up, sinkin', lost in all of these waves  
These odds keep me goin', the tide has finally changed  
When it gets harder to breathe, I guess I'll just have to scream  
Get up back on my feet, I want the world to see me

I'm a survivor, come ride with me  
Been through hell and back, don't need your sympathy  
Everything I wanted is right in front of me, yeah  
I'm a survivor, come ride with me

Come ride with me, yeah  
Come ride with me  
Come ride with me, yeah  
Come ride with me

Bring me back up or take me down low  
Make it go fast or move in slow-mo  
'Bout that shine, all the hard times  
Free up the mind, I can open my eyes  
I'm a survivor  
I'm a survivor

I'm a survivor, come ride with me  
Been through hell and back, don't need your sympathy  
Everything I wanted is right in front of me, yeah  
I'm a survivor, come ride with me

Come ride with me, yeah  
Come ride with me  
Come ride with me, yeah  
Come ride with me
