Worst In Me

Pop Evil

I pushed you away
But you always saw the best in me
You stayed
When I said I couldn't change
And I tore you apart
But you loved me the same
Oh
You loved the worst in me

You never had someone to turn to
'Cause I never let you inside
But maybe if I broke down and told you
Then maybe you'd be by my side

But I pushed you away
You always saw the best in me
You stayed
When I said I couldn't change
And I tore you apart
But you loved me the same
Oh
You loved the worst in me

Everybody's livin' with bruises
Everybody's tryin' to survive
I told you all my excuses
While you stood by my side

But I pushed you away
You always saw the best in me
You stayed
When I said I couldn't change
And I tore you apart
But you loved me the same
Oh
You loved the worst in me

You loved the worst in me

But I pushed you away
You always saw the best in me
You stayed
When I said I couldn't change
And I tore you apart
But you loved me the same
Oh
You loved the worst in
Me
