Pop Levi

She got one on me (Dita Dimone)
She got one on me-e-e (Dita Dimone)
Even though we're fighting every day
So hard to break the girl away
She Dita Dimone-e-e
She Dita Dimone

I drive her Mustang (dita dimone)
It's a '98 blue thing (dita dimone)
Dita knows I drive it like a star
So Dita likes to watch me drive her car
She Dita Dimone (like a star)
She Dita Dimone

She got one on me (dita dimone)
She got one on me-e-e (dita dimone)
Even though we're fighting every day
So hard to break the girl away
She Dita Dimone-e-e

I'm forever hearing Dita's plea
Daddy daddy don't be mean to me
I'm forever hearing Dita's plea
Daddy daddy don't be mean to me
I'm forever hearing Dita's plea
Daddy daddy don't be mean to me
I'm forever hearing Dita's plea
Daddy daddy don't be mean, be mean to me

I drive her Mustang (dita dimone)
