

See My Lord

Pop Levi

Wanna be my Lord, be my Lord
Everybody wanna be my Lord
When he's rising most night and day

Wanna be my Lord, be my Lord
everybody wanna be my Lord
When he's rising most night and day

When he's rising

Be my Lord, be my Lord

Everybody wanna be my Lord
'Cause he's riding most night and day

Wanna be my Lord, be my Lord
Everybody wanna be my Lord
When he's rising most night and day
And he's rising most night and day
