Unruly
Shell the bar straight, we no thirsty
Plus we clean to the bone, we no dirty
How much Champagne? Over thirty
Bottles nuff like a Drizzy Drake's birthday
Gyal dem a whine 'pon me all night long
Say she, "love how the pipe long"
One word me say and turn her right on
Right on

Fresh Jordan man a rock, Hennessy on the rocks
If you diss you get three from the Glock (wha'?!)
Champagne man a pop, gyal a flock when me stop
Man a Gad anywhere 'pon the map
Big fat Range man a push, without the top
Gyal a say me sweet like lollipop
Uh huh (uh huh), uh huh (uh huh)
Aye, aye (aye, aye)

Love and Hip Hop and still don't figot
How much girls we got, OVO Unruly
We not litter, and still act glitter
And still nah relax
