

You Want

Porcelain and The Tramps

You wanna show me here
You wanna show me there
You wanna run me down, into a perfect circle
Semes with stretch and then my bed with bust
And when i'm back to you, ill have a story to tell

Words are worthless when you're laying in my bed

Tell me when im dead, is it sleeping on all the words thats you
said
Your better off dead is it creepying all the words that i said
'Cause you want me and you like me
Tell me that im dead ,is it sleeping on all the words thats you
said
'Cause you want me and you like me, dead

You wanna tear me up
You wanna stretch me out
And what you lost i found
And now im not giving it bak

Words are worthless, when your laying in my bed

Tell me when im dead, is it sleeping on all the words thats you
