

Your Unpleasant Family

Porcupine Tree

Your unpleasant family,
E
smashed up my car
G
(perfectly uncalled for)

Your unpleasant family,
E
how vile they are
F
(I crawled out of the wreckage on my knees)

F
It's alright my flower
E
so what did we learn?
F
(there I found regret amongst the trees)

Snaps of a life,
F#
we had in the garden,
As **G**
we tear up the flowers
