

So You Know

Portugal. The Man

Please don't get me down
I've had a busy day

And that's the hairy lies
That you will love
We've been waiting for
That's the hairy lies
That you will love
We've been waiting for

Just so you know, you know
It's really not so bad
Just so you know, you know
It's really not so bad
Just so you know, you know
It's really not that bad

And we are all waiting for love
And we're all waiting for...

Just so you know, you know
It's really not so bad
Just so you know, you know
It's really not so bad
Just so you know, you know
It's really not that bad
