

Relax

Powerman 5000

Relax, don't do it
When you want to go to it
Relax, don't do it
When you wanna

Relax, don't do it
When you want to go to it
Relax, don't do it
When you wanna

Relax, don't do it
When you want to go to it
Relax, don't do it
When you want to come
(Come)

Relax, don't do it
When you want to go to it
Relax, don't do it
When you want to
(Come)

Relax, relax
(Die, die, die, die)
Back and forth and forth, direction
Dying young is your intention

You gotta dream those dreams
You gotta scheme those schemes
You got to hit me, hit me, hit me, hit me
Hit me with those laser beams

Relax, don't do it
When you want to go to it
Relax, don't do it
Uh huh, yeah yeah, c'mon

Yo, a bus is drivin' and shikakin'
Talkin' bout rockin' stuff
And it ain't no stoppin'
I tell you now kid we don't play
I'm up all night and sleep all day

Squeeze back kid you're cuttin' me close
I gotta chrome that side rite
When I spin them scopes
So let me know if you want to step to it
And holler at me when you're ready to do it

Relax, don't do it
When you want to go to it
Relax, don't do it
When you want to
(Come)

Relax, don't do it
When you want to go to it

Relax ,don't do it
When you want to come

Relax, don't do it
When you want to go to it
Relax, don't do it
When you want to
(Come)

Relax, don't do it
When you want to go to it
Relax, don't do it

When you wanna go
When you wanna go
When you wanna go
When you wanna go
