

# Lust for Blood

**Powerwolf**

Bring me pandemonium Speak the word of God All we need in life  
is flesh and blood Bring me sanctimonium Armageddon flood All we  
care is how to get more blood

Stand up So latisaro Stand up E saro naio Stand up So latisaro

Lust for blood Inside us Blood Unite us Call forever lust for blood

We don't need no pentagram We don't pray to God All we need in  
life is human blood Man we die for what we have done Or go down  
in flood All we lust and hunger for is blood All we need is lust  
for blood All we need is lust

Stand up E saro naio Stand up So latisaro

Lust for blood Inside us Blood Unite us Call forever lust for blood
