

Might of Secrets

Powerworld

Verse 1

I sit around and know I waste my time,
thinking about life all day long.
Thinking about all the secrets behind,
somehow my mind can't achieve it.

Pre-Chorus

Do we live in reality,
or is it just an illusion.
Are we the one we claim to be,
or just a divine confusion.

Chorus

Might of secrets,
the truth lies right behind.
Might of secrets,
beyond the hands of time.

Verse 2

Searching for answers in the circle of life,
with moments of passion and desire.
A lifetime of mystery,
lost in a daily masquerade.

Pre-Chorus

Do we follow the right way,
or is it the road to nowhere.
So many answers left untold,
where do we go from here.

Chorus

Might of secrets,
the truth lies right behind.
Might of secrets,
beyond the hands of time.

Something out there, bigger than life,
flaming deep in our hearts.
Waiting down inside to be found.

Pre-Chorus

Do we live in reality,
or is it just an illusion.
Are we the one we claim to be,
or just a divine confusion.

Chorus

Might of secrets,
the truth lies right behind.
Might of secrets,
beyond the hands of time.
