

Stand Up

Powerworld

Verse 1

No help, no call.
we rise against the wall.
We fought and lost,
in peace and freedom we trust.

Pre-chorus

Our hearts need to be free,
our souls are bleeding.
Salvation is what we need,
tear down the wall.

Chorus

Stand up.
Stand up its time to stop dreaming.
Get up.
Get up for what you believe in.
Stand up.

Verse 2

One night, one dream,
In my mind I keep a silent scream.
Lie awake and sweat,
Im afraid to fall asleep.

Pre-chorus

All our dreams need to be free,

our kids are bleeding.
Salvation is what we need,
tear down the wall.

Chorus

Stand up.
Stand up its time to stop dreaming.
Get up.
Get up for what you believe in.
Stand up.

Bridge

It's time to stop dreaming, so get up.
Get up, tear down these walls.

Solo

Stand up.

Chorus

Stand up.
Stand up its time to stop dreaming.
Get up.
Get up for what you believe in.
Stand up.
Stand up for what you believe in.
Stand up.
