

Falling In Love

Prefab Sprout

Falling in love is easy
That's what my friends tell me
It's letting a bird
Out of a cage
When will my heart, my heart
Be free?

Falling in love is simple
Nothing you need to know
It's falling off logs (falling off logs)
Follow the flow (follow the flow-oh)
Why is my heart, my heart
So slow?

It's falling off logs (falling off logs)
Follow the flow (follow the flow-oh)
Why is my heart, my heart
So slow?

Falling in love is child's play
Just take it stage by stage
Fly away bird (fly away bird)
Take to the sky (take to the sky-y)
Why are you scared
To leave your cage?

Fly away bird (fly away bird)
I'm counting to three (one two three)
When will my heart, this heart
Be free?
