

Losing My Religion

Preluders

(Ooh)
Losing my religion
(Ooh)
Oh Life is bigger
It's bigger than you
And you are not me
The lengths that I will go to
The distance in your eyes
Oh no I've said too much
I set it up

That's me in the corner (ooh...)
That's me in the spotlight
Losing my religion
Trying to keep up with you
And I don't know if I can do it
Oh no I've said too much
I haven't said enough

I thought that I heard you laughing (ooh)
I thought that I heard you sing (ooh)
I think I thought I saw you try (ooh)

Every whisper (whisper)
Of every waking hour
I'm choosing my confessions (confessions)
Trying to keep an eye on you
Like a hurt, lost and blinded fool, fool
Oh no I've said too much (much)
I set it up

Consider this, consider this
The hint of the century
Consider this, this slip
that brought me to my knees, failed
What if all these fantasies come
flailing around
Now I've said too much

I thought that I heard you laughing (oh oh oh)
I thought that I heard you sing (oh oh oh)
I think I thought I saw you try

(Losing my religion)
That was just a dream
That was just a dream

That's me in the corner (ooh...)
(That's me in the corner)
That's me in the spotlight
Losing my religion (my religion)
Trying to keep up with you
And I don't know if I can do it
Oh no I've said too much (much)
I haven't said enough

I thought that I heard you laughing (oh oh oh)

I thought that I heard you sing (oh oh oh)
I think I thought I saw you try (try)

(ooh...)
But that was just a dream (Losing my religion)
That was just a dream (Losing my religion)
And I try, try, try, try, try
try, try, try
