I've got a story  
I've got a story that I got to tell  
You only live once  
So tonight I'm gonna live it well

Sing it out, sing it out, sing it out  
Let the music come to life  
Come to life, come to life, come to life

This is the time  
To live  
This is the time  
To dance  
This is your life  
Your chance  
To love in the open  
Love in the open

Life is a dance floor  
And your song could be the base and beat  
Love's like a rhythm  
Cause without it nothing seems in key

Sing it out, sing it out, sing it out  
Let the music come to life  
Come to life, come to life, come to life

This is the time  
To live  
This is the time  
To dance  
This is your life  
Your chance  
To love in the open  
Love in the open

This is the time  
To live  
This is the time  
To dance  
This is your life  
Your chance  
To love in the open  
Love in the open

Sing it out, sing it out, sing it out  
Let the music come to life, come to life  
Sing it out, let the music come to life, come to life  
Sing it out, Let the music come to life  
Come to life, sing it out

Let the music come to life, come to life  
Sing it out, let the music come to life, come to life  
Sing it out, Let the music come to life  
sing it out, sing it out

Let the music come to life, come to life, come to life

This is the time  
To live  
This is the time  
To dance  
This is your life  
Your chance  
To love in the open  
Love in the open
