I Am the End

Pretty Maids

I'm the one who holds the key
The mister of your destiny
The final station down the line
I'm coming for you when it's time

I'm the truth you can't escape
Eventually we'll meet someday

I am the end
The messenger of darkness
Then again
I am the end
The path to something bigger to begin
My friend

You fear what you don't understand Fear the harvester of man' But where you end up who can tell The gates of heaven or the pit of hell

Well I'm the last resort, you know I'll tell you when it's time to go

And when that day is coming
When the bell rings
When your time is running out
I'll be waiting in the wings
I'll be there to be your guide
And lead you to the other side of life
