

## Shelly the Maid

Pretty Maids

Don't ever think you have paid  
For the last love by Shelly the maid  
She'll give you all her loving aid  
When you need a warm bed - Shelly the maid

Chorus:

Shelly with her belly filled with joy  
She knows how to treat her boy  
She'll give you anything right  
She won't leave you in the night  
'Cause she knows when there's money in sight

You'll never see her pale  
She'll wear purple red on her toenail  
You don't ever have to be afraid  
Who'll never let you down - Shelly the maid

Chorus
