Let's talk about bubbles in the tub, let's talk about makin' love
Let's talk about you on top or me goin' down
Let's have a little phone sex baby on the hotline

On the hotline, the sun ain't up but I had to call you
'Cause I'm home alone lustin' for you
I'm in my room, nothin' but a towel on
Take them granny panties off, put a thong on

I love it when I hear you moan
You got that sexy tone that makes the dick long
You in a complete another city
On the fan line with nothin' but a baby tee on

You the kinda girl that's sexy in some boxer shorts
I'm the kinda nigga that make you ride it like a Porsche
Yeah, I met you on MySpace
Now I'm 'bout to fly you out to my place, in the mornin'

It's 5 in the mornin'
And I'm up havin' phone sex wit you, you, so horny

It's 5:30 in the mornin', good mornin', I'm horny, I'm horny
I'm lonely, I'm lonely, I'm touchin' and rubbin'
Call me, call me, did you call me? Did you call me?
Called you 7 times, baby girl don't stall me

I wanna kiss you from your temple to your feet
To the dimples in your cheek, to the middle of your G-string
Conversation underneath the sheet
You know me, Redbull like a energy, I'm a freak

Baby girl say she love phone sex
Say the sound of my deep voice make her wet
You call me 5 am on the dot
Now I'm thinkin' bout you with panties, no top

Picture this, you say you comin' over

30 minutes later you was parkin' the Rover
Jumped out the car and I met you at the door
3 seconds in the house and your panties on the floor

Kiss you in your mouth and your hands on my cheeks
Straight action on the carpet, rug burns on my knees
Now you on the phone like, damn I made a mess
Got my hands in my pants, man I love phone sex

It's 5 in the mornin'
And I'm up havin' phone sex wit you, you, so horny
And now I'm on the hotline
Over here lustin' for you, you, so horny

Let's talk about sex baby, let's talk about you and me
