Verse One {Baby Blue} Baby Blue, Whoaa Girl I'm gon lick it Get it wet before I split it So stingy with it I only put a lil bit in it I break it off proper Before I get these seeds out Girl I'm so tore up Rolled up at your crib Fully lit it then I hit Girl you know I'm gon to lay up in it for a minute Then hit it one more time Before I blow this thing up Girl I'm so tore up Chorus {Lingerie} We goin to tippie toe through the house Shhhh!! Don't make a sound I'ma go down So you gon come now then we gon roll this blunt Get some of that sticky We goin to get sticky You goin to get sticky you goin to get sticky we goin sticky Yeah Verse two {Slick'em} Woke up this morning round 8:20 young force singing Grab my di*k Baby mama try to bring crystal meth to bed room baby All you need to do is roll that sh*t Got a ounce of that cribbae That sticky Don't let my girl hit it Split it hit it Flip it Lick it Spark up and hit it I know you flip it Ughhhh niggah Read dat sh*t back Vodka I gotta girl named Janell that'll bring the dro

Slick still playin from the night before
Lil girl named Kim that'll bring the lit
Between them two the do it all for Slick
Then we pump up pass
Pump up fast
She came first
I came last
Rolled the grass
Eat the pu**y like the munchies
And make you cum fast

Chorus

Verse three {Spectacular}

I knock it out the box Like the hall of fame These chicks think I'm prince I'm on that purple rain See I be spittin game Out that purple range All types of diffrent colors from my Louie Chain Ugh On that gushy New Orleans Kush Number 25 We call it Reggie Bush Smokin Mary Jane High as Rick James I'm a super freak Tear it out the frame

Chorus
