

Two Kids

Priestess

Two kids found dead in the water
Beside each other
I don't think they drowned

Ring up the mother and father
From the gutter
They didn't want kids around

Hell no I ain't on your side
But I'm sticking around until I die

Feeling bad cause you bought her then sold her
To the order
Of caring takes too much time

If you want some weight on your shoulders
Create a border
Id rather be blind
