

Die Young

Primal Fear

Yell with the wind, though the wind
Won't help you fly at all your back's to the wall
Chain the sun, and it tears away and it breaks you
As you run, you run, you run!
Behind the smile, there's danger
And a promise to be told: you'll never get old - ha!
Life's fantasy - to be locked away
And still to think you're free you're free, you're free!

So live for today
Tomorrow never comes

Die young, die young
Can't you see the writing on the wall?
Die young, gonna die young
Someone stopped the fall

Yell with the wind, though the wind
Won't help you fly at all your back's to the wall
Chain the sun, and it tears away and it breaks you
As you run, you run, you run!

So live for today
Tomorrow never comes

Die young, young!
Die young, die young!
Die young, die young, young!
Die young, die young, die young, die young, die young!!!
