

# Man Without Shadow

Primal Fear

The time has come for you to walk this road  
The moment that you're feelin' all alone  
Time is running out, it's not too late  
It is my fate

Get up and watch me fall  
I'm flying through the darkness  
I'm out to drink your blood  
It's burning in my veins

Angel's blood don't lie to me  
Nine lives - another mystery  
We will rise  
It's the man without shadow  
We will rise

You're hunted by your enemies  
On the run for seven years  
Driving down the road to nowhere  
In this death chair

I've tasted lips of blood  
Full moon, one of four horsemen  
My heart bleeds like a river  
Heaven's closed for me

Angel's blood don't lie to me  
Nine lives - another mystery

We will rise  
It's the man without shadow  
We will rise  
Revelation  
The end of time
