

The Rover

Primal Fear

I've been to London, seen seven wonders. I know the trip
is just to fall
I used to rock it, sometimes I'd roll it. I always knew
what it was for.
There can be no denyin' that the wind 'll shake 'em
down
And the flat world's flyin'. There's a new plague on
the land
If we could just join hands (X3)
Traversed the planet when heaven sent me. I saw the
kings who rule them all
Still by the firelight and purple moonlight. I hear the
rested rivers call
And the wind is crying, from a love that won't grow
cold
My lover, she is lying, on the dark side of the globe
If we could just join hands (X3)
You got me rockin' when I ought to be a-rollin'
Darlin', tell me, darlin', which way to go
You keep me rockin', baby, then you keep me stolen
Won't you tell me, darlin', which way to go... that's
right
Oh how I wonder, oh how I worry and I would dearly like
to know
I've all this wonder of earthly plunder will it leave
us anything to show
And our time is flyin' see the candle burnin' low
Is the new world rising, from the shambles of the old
If we could just join hands. (3x)
and here's couple of " yeaah, yeaah" that's right,
that's right"
