

Only Way Through

Primitive Radio Gods

But now that you're in
Better face the truth
There's the slow motion sail
Better think what to do

Wouldn't it be all right
If we weren't born again?
Wouldn't it be all right?

Their road shown nowhere
Better face the crowd
And our need's floating
Their pride for life

Wouldn't it be all right
If we weren't born again?
Wouldn't it be all right
If we'd gotten out alive? Out alive?

Out alive...
