

Rock The Pants

Prince Royce

Oh

I've tried everything to catch up to your speed
And be the man you need,
Even change my ways
But you always leaving me shaking my head,
Pushing me to the edge,
All you do is complain,

I thought it was fate
Guess I made a mistake
Accusing me of things I didn't do
But I'm a set you straight
'Cause tonight I'm coming home late
And you can cry all you want but I ain't taking it bait
And you can beg me to stay but no way
It ain't up for debate
Asking WHO What Where and Why don't matter if I'm cheating in your mind
What the hell might as well be out there doing what I want to all the time
Yeah

Watch me as my jeans sag low when I walk out the door
I'm a go be a man, 'cause you forgot that I wear the pants
Watch me get these girls on the floor
Get 'em asking for more
I'm a go do my dance 'cause she forgot that I rock the pants

Independent work hard for all the above and that I appreciate
And now and then got to understand that a man got a breathe,
That I need my space
From the very last time I kiss you
Let there be a gap give me time to miss you

And now I'm a go out with the fellas don't blow my cell
Be cool and I'm a catch you later

Oh

Watch me as my jeans sag low when I walk out the door
I'm a go be a man, and you forgot that I wear the pants
Watch me get these girls on the floor
Get 'em asking for more
I'm a go do my dance 'cause she forgot that I rock the pants

Watch me as my jeans sag low when I walk out the door
I'm a go be a man, and you forgot that I wear the pants
Watch me get these girls on the floor
Get 'em asking for more
I'm a go do my dance 'cause she forgot that I rock the pants

He tratado de ser todo para ti
Y hacerte feliz con todo cumplir
Pero siempre dices que yo soy infiel
Que no te doy querer me alejas de ti
Pense que gane
Pero creo que falle
Por eso es que esta noche no me quedo contigo

Watch me as I'm gone (watch me as my) jeans sag low when I walk out the door
I'm a go be a man, and she forgot that I wear the pants
Watch me get these girls on the floor
Get 'em asking for more
I'm a go do my dance 'cause she forgot that I rock the pants

Watch me as my jeans sag low when I walk out the door
I'm a go be a man, and she forgot that I wear the pants
Watch me get these girls on the floor
Get 'em asking for more
I'm a go do my dance 'cause she forgot that I rock the pants
