

## For You

Prince

Sittin' in the rain  
Water on your brain  
Got a hole in your boat  
Trying to stay afloat  
Has got you down  
I've got a wind in my sail  
Rubber boots and a pail  
I'll throw you a line  
Rest assured that I  
Won't ever let you drown

'Cause when you're up against the wall  
You know I'll be here for you, for you  
When you rise and when you fall  
I'll always be here for you, for you  
When the plans you make  
Fall thru' and take you  
For a loop  
Or some bird has flown the coop  
And left you stranded  
Just lean on me  
And together, you see  
We'll carry the load  
Even if we don't  
Quite understand it Tom.
