Don't you want a love like this?
Hey kids we are love light bliss
Don't you want a love like this?
Hey kids we are love light bliss
Hey kids we are love light bliss
Hey kids we are love light bliss
Hey kids we are love light bliss
Hey kids we are love light...

I know you wonder what the hell that means
How can we be loved when sometimes a lean?
Do all bliss but the get disease
And miss when you think the world's good all things
Though something or someone always gonna want
It ain't easy for me to sing whatever the song
But I didn't make it up, only wanna break it up
This hurt make it up, or this close you gonna take it up

What I love to turn you on
But I seem to can't remember
I don't know what went wrong
I think we'd better just surrender

Don't you want a love like this?
Hey kids we are love light bliss
Don't you want a love like this?
Hey kids we are love light bliss
Hey kids we are love light bliss

Baby we can do it, take the time, do it right
We can do it baby, do it tonight
Baby we can do it, take the time, do it right
We can do it baby, do it tonight

Everybody holding on and holding back
Going crazy, that's good, that's bad
Here's a plan of the test, hype din the moment be blessed
Stop looking forward, stop looking back, stop that
We have the same man, can't you see?
You wanna be white or you wanna be green?
You wanna be me? Better be more you
Love yourself and love other people too
That's true

What I love to turn you on
But I seem to can't remember
I don't know what went wrong
I think we'd better just surrender

Don't you uh wow?
Hey kids uh wow!
Don't you want a love like this? (uh wow)
Hey kids we are love light bliss (uh wow)
