Please don't mess with me I'll spit you out like you were Sunny D Did you really think you could be mean baby? Listen this next part is key, You play a lot of Nintendo, smoke Endo As far as men go, when ya gonna hit a crescendo and throw Super Mario and At ari out the window? Now, we have something in common-You're lactose intolerant I'm wack host intolerant Stop talkin about smackin crack hoes you're in college apologies accepted I might have left lyrical holes in your mind You'll fill it later with Cable or Hot 97 or Taco-Belln applyin, you wanna play? Fine Play-doh, roll you through a machine until you come out in little strings I'm obscene I really could eat like 5 Krispy Kremes Like when they're hot-Like all my tracks are hot I'm hot, I'm hot, I'm hot, I'm hot, I'm hot, I'm hot, I'm hot-Like all my tracks are Stop going on AOL chat to try to find friends, yeah everyone likes you becau se you said you were tall, slim and Liked Dre over Ren, Cage over Em, Rage over them, Bahamadia over Lil' Kim I had no idea you been down with hip-hop since you were ten You were out ya playpen rubbin Barbie all over Ken and marveling over your c arving Of Led Zeppelin in your desk in ya den I'm hittin mad skins you got bad skin get rad skins for your MP3 player kid I'm a Real Player! Hard like Slayer while you a dater with Darth Vader I'm famous-later-I hang with both Ralph Nader and Roc Raida, OK? I swear I'm super you play boring Solitaire on your computer combed over hai Wear a boober shirt work at Hooters in your underwear look like Mr. Hooper I I was nice to you originally what I'm doin is gonna ruin you like Druid ruin s hear the crowd booin naturally Actually this is a big 'ol waste of my time I would rather be home playing with my parakeets than making up this stupid I mean, I am a sensitive Pisces and I wouldn't want to make you start cryin-Yeah start cryin You get mad at Napster when nobody's even heard of you I did a search on your name and came up with 1 result-It was your computer, you're a loser Lame, your screen name pseudo hiphop sounding lingo mixed up lowercase/capital letters What you think this is Bingo? I got singles out already People know my name in discerning circles from New York to LA While you earn Colonels jerk pay spurt on dirty curtains in a big shirt sing in Hip Hop Hooray You're idle I'm an idol you're not entitled I got a title Nobody trades your file chill child when I said I liked you I was just tired Go occupy yourself for a while you're lost whatever just frick off, vile in denial just step off

Why you think I get deals from record labels you get deals from drug dealers Unappealing insincere won't eat Happy Meals you spill bong water like tears

filled with lost

fear

Do acid and beer and trip out on how your queer little beard looks so weird in the mirror \max

Guitar noodlin and patchouli let me teach you Ital-go Fongule When I was in high school I'd a thought you were so fuckin cool Anyway as I was saying before my screen name is much better than yours, its'

What you think I would tell you so you can Instant Messenger me all day? I don't think so I am very important and right now I am eating lunch Go get signed to Ruffhouse go away, bid on Ebay for a stuffed Mickey Mouse in a mug,

A sticky handcuffed pic of buff Courtney Love, one of Prince's aborted doves , a Jackson glove,

A blow up Peter Max pillow of Love, a diamond rug, or somethin worth more th an all that stuff:

A cup that Princess Superstar once drank out of
