

# Let's Build a House

Priscilla Renea

Let's build a house, tear this one down  
Might take a while but it'll be ours  
Let's use the stones that everyone's thrown  
We need a sanctuary of our own  
Let's build a house  
Let's build a house

You on the couch, me in the car  
You in the light, me in the dark  
Just tryna get where we're going  
You on the edge, me on the ledge  
Clinging to you, driving a wedge  
Just tryna keep this thing floating

Running up and down the halls  
Always seem to hit a wall  
We need to break some new ground

Let's build a house, tear this one down  
Might take a while but it'll be ours  
Let's use the stones that everyone's thrown  
We need a sanctuary of our own  
Let's build a house  
Let's build a house

Laid on your love, laid on a rim  
Ain't that enough money we spent?  
When you gon' pay what you're owing?  
'Cause I need a roof over my head  
I need the truth, is it a yes?  
Am I the one that you've chosen?

Running up and down the stairs  
Bell is ringing, are you there?  
Either give in or give out

Let's build a house, tear this one down  
Might take a while but it'll be ours  
Let's use the stones that everyone's thrown  
We need a sanctuary of our own  
Let's build a house  
Let's build a house

Yeah, let's build a house, can't no one tear down  
Love is hammer, let's build our own town  
Let's use the stones that everyone's thrown  
We need a sanctuary of our own

Let's build a house, tear this one down  
Might take a while but it'll be ours  
Let's use the stones that everyone's thrown  
We need a sanctuary of our own  
Let's build a house  
Let's build a house
