

## Down Came The Rain

Private Line

Yesterday I felt okay  
But this day crashes down on me  
"I blew it, bet I'm stupid"  
Got my issues with authority

Happiness is in a bowl  
Don't take the plug away  
And flush it down drain!

As days rolled by down came the rain  
The games I played were so insane  
Stranded on an empty shore  
I'm all washed up and bored  
Stained by time I'll go as I came  
Down came the rain

I gave up my day job  
That motherfucker said: "sink or swim"  
We begged, be borrowed, sold out sorrow  
Guess he must have thought I was dim

The ghosts of yesterday move on  
I've gotta find the way  
to chase this blues away

As days rolled by down came the rain  
Washed down pain with stale Champagne  
Stranded on an empty shore  
I'm all washed up and bored  
Stained by time I'll go as I came  
Down came the rain

As days roll by in endless waves  
They wash away those draws we've saved

As days rolled by down came the rain  
I drowned our memories, left the pain  
Loneliness becomes a friend  
No one left to blame  
Stained by time we'll go as we came  
Down came the rain  
Down came the rain
