

Man I feel like shit today  
I gotta make it all go away  
Take your bullshit outta my face  
Before I wreck this whole damn place  
So leave my home and me alone  
Boy I hate this fucking scene  
And I know you know what I fucking mean  
You crucify me all day long  
And tell me how you're right and I'm wrong  
To make you feel complete - so real  
Well I've been around and I'm well aware  
So don't you think I don't fucking care  
I live my life the best I can  
Gonna put you on the five year plan  
So leave my home and me alone
