

# Gunshot/Mindset

Profane Omen

Need to feel  
I need to feel the pain to live  
You can't cause any fuckin' pain  
You can't cause pain

Obey the rules  
Obey to be a slave so  
Can't stop me motherfuckin' cunt  
Can't stop me now

Gun-shot-mind-set  
See me, hear me  
Feel me, fear me  
Gun-shot-mind-set  
Shit right down my throat  
Gone fuckin' mad

Get a gun  
To rise and feel the rage inside  
You will cause all the fuckin' pain  
You will cause pain

Face the fact:  
The human nature won't hold hate back  
You will bring violent death  
You will bring death

Gun-shot-mind-set  
See me, hear me  
Feel me, fear me  
Gun-shot-mind-set  
Shit right down my throat  
Gone fuckin' mad

[Solo]

Gunshot!

Gun-shot-mind-set  
See me, hear me  
Feel me, fear me  
Gun-shot-mind-set  
Shit right down my throat  
Gone fuckin' mad
