

Counting Money

Project Pat

You niggas out here talkin bout
It ain't bout the money
I heard this nigga all day man
This nigga said taught me it ain't bout the money
I'm like, my nigga, if it ain't about the money
Then what the fuck is it man?

Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)

Fresh up off the press I got ink all on my fingertips
Thumbin through the check, make it flip, made me cop a brick
Money on my mind, I can't sleep, I gotta have paper bitch
He don't stack on top of M's, I want that Bill Gates shit
Fuck nigga counterfeit, talkin all that fake shit
Chop em all, you're like some grass
Clean off my estate bitch
Money on my mind, in the sky I'm stayin bluntin
Money make that pussy wet, counting all these hunnids
Talkin like you flexin but you broke and lookin bummy
I pull Maserati red bitch and a bunny
Ho that ain't no money, pop yo ass with 20 bands
All this cash in my hand, watch me do the money dance

Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)

Ho I'm countin money, I'm thumbin through the check
She said money make her cum, it make my dick get red
Nasty mind, I'm always on some money shit
A 50 just to hold my pants up, that's that Louie shit
I'm in the club throwin money in the locket fly
My nigass hangin in the back, throwing gang sings
Yea we poppin bottles, yea we fuck with models
That lil bitch swimming in the mon, they say I need some goggles
We see them niggas hatin, well fuck it, let em hate
They have some hustle about they stuff, they could participate
They got they hands out, it ain't no handouts
That type of attitude will keep you with yo ass out

Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
Ho I'm countin money, ho that shit ain't nothing (that ain't shit)
