Get up out of my ride, I forgot you aw forget ya
Let the chevy door hit ya where the good Lord split ya

There ain't no acceptin yo calls, so ya see your daddy
Yo moms, yo aunt, greasy greasy grand mammy
Like a Johnny Cochran team to try to plead your case,
Heard ya in the background hung up in they face

Don't call me no mo' and don't text me no mo'

Don't call me no mo' and don't text me no mo'

And you knowin' that we through, need some wood in yo life?
Don't be booty callin' me, you can keep yo legs closed

Used to be a glamour queen 'cause I kept you with some money

Hoody Hoody hood rat, nuck yo booty real fat
I'm in love with a stripper, let me hit it from the back
Like this girl Lil' Red, stood me up on some head
She come callin' me now, found out I got that bread
Little girls that be scared, go to church and hit the door
Don't call me no mo' and don't text... me (Wind Down)
