

## Drank And That Strong

Project Pat

Smoking blunts back to back, 3-50 for a sack  
Cup full of purple jelly ratches a whole pack  
Yella tuss got me slow, and this moly got her loose  
Lookin like a forest fire, blowing pounds of that kush  
Lungs full of good weed, getting money out the mud  
Cali love, calibers, fell in love with the plug  
I got throwed off that drank, dosed off about a hour  
I'm smoking ash, trippy nigga to the night power  
Blowing strong and that loud at the same damn time  
Drinking tux and that activist, trippy out my mind  
Say I need to slow down, bitch you need to mind yo business  
Rolling swishas out the pack, sippin dre hella business  
Feelin like I'm lost in space, left my mind on the moon  
Half a zip ain't enough, I need a whole damn zoom  
Man I'm faded to the max, fell asleep on the phone  
Got my swishas in my cup, bad bitch I'm headed home

I'm on that drank and that strong, that drank and that strong  
I'm on that drank and that strong, that drank and that strong  
I'm on that drank and that strong, that drank and that strong  
I'm on that drank and that strong, that drank and that strong

Cheech and Chong on the phone, keep a playa in the zone  
Sucka free spin a G but this all just for me  
Blowing bands and scrans of that good Cali reefer  
Passing blunts with Wiz Khalifa, got that Pepsi in my cup  
Yea that Texas tea, bumblebee  
What I'm smoking - OG  
Chicken eyes, china man, when they come and fire me  
Always keep a liter, put that lean on some ice  
This a first class ticket, bout to take a trip and fly  
Short days long nights, got a pimp feelin right  
She say what's that in yo cup? You sippin sir? Damn right  
Got a quarter pound of scrone, blow it all in one night  
Get your papers and you bust bones, smokers all pipe  
Blue dream got me floatin cup full of dirty Sprite  
Livin a rockstar life, don't remember last night  
Certified trippin niggas doin this every night  
If I wasn't getting money, nigga swear I was alright

I'm on that drank and that strong, that drank and that strong  
I'm on that drank and that strong, that drank and that strong  
I'm on that drank and that strong, that drank and that strong  
I'm on that drank and that strong, that drank and that strong
