

# Gooned Up

Project Pat

Niggas know I'm straight thug  
Niggas know I'm gooned up  
Ride by your spot, shoot your fucking living room up  
Nigga must on that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up

Niggas know I'm straight thug  
Niggas know I'm gooned up  
Ride by spot, shoot your fucking living room up  
Nigga must on that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up

Throwing gas bombs to your resident, niggas running out  
That's when automatic weapons got to popping out  
Take you motherfuckers out, praying on a nigga skug  
Niggas out here with the mean mug, face it get slugged  
I got them thugs with machete and them mask out  
I call them garbage men, they like to take the trash out  
Catch you niggas hanging in the hood on them porches  
Choppa like raid spraying off you cockroaches  
Terminator shit, exterminating rats  
Should have got a music scholarship the way my guns click clack  
Blew out his back, for running off then face the man  
Left his ass in the chalk, right beside the garbage can

Niggas know I'm straight thug  
Niggas know I'm gooned up  
Ride by your spot, shoot your fucking living room up  
Nigga must on the that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up

Niggas know I'm straight thug  
Niggas know I'm gooned up  
Ride by your spot, shoot your fucking living room up  
Nigga must be on that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up

Dope still getting sold, niggas still getting shot  
Coke still in the pot, hood still super hot  
All these years a nigga like me done been away  
Some of these niggas staying the same position 'til they hair grey  
Niggas always with the shit, that's some cold law shit  
Got a hot 9 quick to blow ya ass off with  
When the Ruger in yo face, drop the cash off bitch  
Hair the trigger like a rocket get a blast off bitch  
Shoot ya knee caps off, blow ya chest out yo back  
.44 leave a doughnut hole, through ya ain't no coming back  
Put my hands on the chopper, throw my life away  
I can pop 30 rounds in this clip, 30 niggas get shot

Niggas know I'm straight thug  
Niggas know I'm gooned up  
Ride by your spot, shoot your fucking living room  
Nigga must be on that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up

Niggas know I'm straight thug

Niggas know I'm gooned up  
Ride down your spot, shoot your fucking living room up  
Nigga must be on that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up

Nigga know I'm bout that shooting nigga you probably made it happen  
Most of these niggas rapping nigga I started out trapping  
Nigga you play with me nigga we gon' fuck around and splash him  
Nigga you play with me nigga we gon' fuck around and blast him  
Yeah the casket is out there, and I came a disaster  
You gonna meet the fucking pastor, I'm in the hood I'm the rapper  
Boy I top out and slap ya, I'm the fuck shit master  
It ain't look like I do it I have yo ass bloody napkins  
I don't play bought that paper, most of these niggas fakers  
Most of these niggas haters, man these hoes got the vapors  
Man I'm balling in Vegas, and I just bought the latest  
Nigga play with me my nigga I'ma pop at your table

Niggas know I'm straight thug  
Niggas know I'm gooned up  
Ride by your spot, shoot your living room up  
Nigga must be on that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up

Niggas know I'm straight thug  
Niggas know I'm gooned up  
Ride by your spot, shoot your fucking living room up  
Nigga must be on that lean, cause he got me screwed up  
Treat yo ass like a fiend I'ma shoot ya ass up
