

# I Ain't Seen Shit

Project Pat

This is a DJ Scream public service announcement  
It's 20-13

No more tolerance for snitches  
No more tolerance for bitch ass niggas  
No tolerance for fuck niggas, you understand?

Nigga get go snitching, your ass in the ditch  
Ain't nobody straight, a nigga or bitch  
I don't trust nobody when it come to wiff  
You do your shit alone, cause you won't tell on self  
Let me take that back, it's some damn fools out  
Hear the police shoot they ass like a puppeteer  
Niggas getting caught with bricks and free back on the bricks  
You tellin ass niggas, I can see straight through that shit  
Go to jail nigga get his ass slice to piece  
That's why you rattin ass niggas checking pc  
Niggas know the consequences of this drug dealin  
You can have a long run if you ain't squeelin

Cali is where I get my green from  
Cake city is where I get my lean from  
Miami is where I get the beans from  
And if you get caught, I don't know where they came from  
I ain't seen shit and I don't know shit  
I ain't seen shit and I don't know shit  
I ain't seen shit and I don't know shit  
The number one rule in this game: don't snitch

Ran to the cilian, like I move kilograms  
Laugh at you lames like, I done smoke some helium  
Have to hustle for my bread, means I have to make it  
Try to pay me and you owe me mask up and take it  
Death before dishonor, so your honor I can't tell you shit  
Just another ghetto nigga out here tryin to get rich  
For Memphis 10 but the drugs flow like the Mississippi  
We poppin eggs, pills and molly, let's say we trippy  
It's indie clippy on the 9 means extra bullets  
Off in your ass try to rob and I'm a pull it  
Trick exposed, body froze, ain't no soul inside em  
You in the morgue, tag on toes them pistols, I hide em
