

There Is Much More

Project Pitchfork

There is much more
in these times
of selfishness
and strategies

Give light to them
who are in need
the greedy ones,
indeed

Because I could not
stop for death
he kindly stopped
for me

If end I gained
it ends within
the deeds
I did for me

If love I gained
it ends beyond
the cosmic
entropy

There is much more - you can get
all you need is a reset
invest a feeling - stop killing
you might feel love as thrilling
