

Perception Deception

Prozak

They cultivate your fear
To keep you in the cage
Manufactured media to keep you entertained
The story of your life
Every day remains the same

Go to work
Like a slave
Every day
Then you die!

Expression has been lost
So put your dreams on hold
And never think for self
Do exactly what you're told
When they control your mind
Then they control you flesh

Go to work
Like a slave
Every day
Then you die!

Tell me what is real or fake
Tell me what is real or fake

Tell me what is real or fake
Tell me what is real or fake

Where ever lies the truth
Amongst this world of lies
Misdirection provided to keep you occupied
And if you change the channels
You will surely change their minds

Go to work
Like a slave
Every day
Then you die!

History's condemned to [?] repeat itself
You must predict the future from the past to save yourself
Don't be another victim, [?] hollow shell

Go to work
Like a slave
Every day
Then you die!

Tell me what is real or fake
