

Work

Psapp

Chew me out
Don't spit me out
I wanna stay a little bit more

This is [?] fire
It's what we're burning for

This work
This work
Is working out
It isn't hard if we forget how hard it is

Just like you said
Start at the end and [?] the same
[?] the middle
When it's mighty [?]

I don't know how we [?]
I don't know how we [?]
How the hell do we do this?
All ways

You're a story
But you're not finished yet
[?]
You're a great [?]

Keep on
Keep on
It's working out
Somewhere there is a swarm of bees and they all know the way

Can't always see [?]
Can't always see [?]
I can still see something

All ways

Can't always see [?]
Can't always see [?]
I can still see something
All ways

I could not do anything
I could not do anything else

I could not do anything
I could not do anything else

This is the work I'm doing
I could not do anything else

This is the work I'm doing
I could not do anything else

(Work)
It's working out

(Work)
(Work)
You forget, forget how hard it is
(Work)

I don't know how we [?]
I don't know how we [?]
How the hell do we do this?
All ways

I don't know how we [?]
I don't know how we [?]
How the hell do we do this?
All ways
