

# What a Fool Believes

Public Enemy

Power to the people  
Cause the people want peace  
Have no fear  
You're safe right here  
You are protected  
You are respected  
The people gotta voice  
The people gotta choice

The who, the when, the why, the what  
The who, the when, the why, the what  
The who, the when, the why, the what  
The who, the when, the why, the what

A fool believes.....

Who the government?  
Who the terrorists?  
Where the hit list?  
Pump the raised fist  
Make em spread the wealth  
As long as you got your health  
Cause I know I cant get no help  
So I jump back and kiss myself

The who, the when, the why, the what  
The who, the when, the why, the what  
The who, the when, the why, the what  
The who, the when, the why, the what

A fool believes.....

Swear to god  
You thought the yard was hard  
Come get your god with a credit card  
Preacher lyin on the truth to raise his roof  
Cmon holla preacher flow got yo dollar  
Devil succeeded in never  
Givin you what you needed  
Playin with religion  
So the people believe it  
They playin with god  
While preyin on god  
While you prayin to god  
They playin with god

The who, the when, the why, the what  
The who, the when, the why, the what  
The who, the when, the why, the what  
The who, the when, the why, the what

A fool believes.....
