

Someone made the story up
I tell the truth
It wasn't me
Let me in
I wont be long
Open doors
Feel the draft
Someone made the story up the next day
Being here
Is not enough
Another
Another
Another
I tell the truth
It wasn't me
Follow the leader
I can't be patient
I am a shadow
Coming
Another

It don't ????
????????

Real as a statue

Being here
Is not enough
Being here
Is not enough
Let me in
