

Motorpsycho

Puffball

Supercharged and ready to go.
Patience fails, it's way too slow.
On the road in black and white.
Rope of flesh, just take a bite.
Breaking laws but still no cop.
Only slowing down for a quick pitstop.
It's warm as hell but all is cool.
Nothing shakes a true road ghoul.

BUCKLE UP AND PRAY HEAD HONCHO
YOU HIT THE ROAD WITH A MOTORPSYCHO.
PREPARE YOURSELF FOR ACTION HIGH.
ONE RAD RIDE BEFORE IT'S GOODBYE.

Stoplight boogie, a roar from Hades.
You get no air, the pavement fades.
A ride that sucks your dentures out.
This is what it's all about.
A foot of lead, no sign of fear.
One wrong decision and you're out of here.
The screeching sound of Kelsey-Hayes.
Finishes of this chickenrace.

BUCKLE UP AND PRAY HEAD HONCHO
YOU HIT THE ROAD WITH A MOTORPSYCHO.
PREPARE YOURSELF FOR ACTION HIGH.
HEADING FOR DESTRUCTION IN FINEST STYLE.
