

# Take You Down

Puffball

All that I want is a girl that bad to the bone  
Long black hair, caramel skin tone  
Meet her in the club, after that take her home  
And give it to her all night long  
Now rock your hips from left to right  
Love when you move I know you bust the whine  
Just know you sleeping in my bed tonight  
Girl, if that's alright  
Could you whine like this  
Would you move like that?  
Make me push it all  
Cause you fling it back, back, back  
You a dollar piece, hundred worlds exact  
I just wanna touch  
Girl because you're perfect

Don't be shy, I know you want the same thing  
I want tonight, want tonight  
Hold on tight, baby you know you in for a real good ride, so

Tonight I'm gonna take you down, down  
Come put your arms around me  
Oh girl, I'm gonna lay you down, down  
And make you feel Irie  
Tonight I'm gonna take you down  
Touch your face, feel your love  
Love you whole, all your kids  
Kiss you, girl, no pressure  
Tonight I'm gonna take you down  
Touch your face, feel your love  
Love you whole, all your kids  
Kiss you, girl, no pressure  
Tonight I'm gonna take you down

Girl you bad and slim  
But your back side round  
Take it down to the ground and  
Push it back right now, now, now  
From time you walk in  
Shut the whole place down  
Sexiest gyal around  
Should be wearing a crown, crown, crown, crown

Don't be shy, I know you want the same thing  
I want tonight, want tonight  
Hold on tight, baby you know you in for a real good ride, so

Tonight I'm gonna take you down, down  
Come put your arms around me  
Oh girl, I'm gonna lay you down, down  
And make you feel Irie  
Tonight I'm gonna take you down  
Touch your face, feel your love  
Love you whole, all your kids  
Kiss you, girl, no pressure  
Tonight I'm gonna take you down  
Touch your face, feel your love

Love you whole, all your kids  
Kiss you, girl, no pressure  
Tonight I'm gonna take you down

You know what this is and what I came to do  
Take you with me back to my room  
Make you hot, girl you know  
Get you up out your clothes  
It's not enough time in a day  
For me to give you what you need  
I hope you hear what I wanna say cause

Tonight I'm gonna take you down, down  
Come put your arms around me  
Oh girl, I'm gonna lay you down, down  
And make you feel Irie  
Tonight I'm gonna take you down  
Touch your face, feel your love  
Love you whole, all your kids  
Kiss you, girl, no pressure  
Tonight I'm gonna take you down  
Touch your face, feel your love  
Love you whole, all your kids  
Kiss you, girl, no pressure  
Tonight I'm gonna take you down  
Tonight I'm gonna take you down  
Tonight I'm gonna take you down
