

# Don't You Want Me Anymore?

Pulp

On the night that I was leaving the moon rose in the sky  
As I came to fetch my suitcase and then you began to cry  
I've never seen you look so ugly as the way you did that night  
That night was eighteen months ago

Now I'm two hours from the station, yeah I'm coming home again  
I'm gonna show this town who's master soon as I get off this t  
rain  
You're gonna love me more then ever and the sun will shine agai  
n  
And I will kiss your face and I will make you smile again

And then the whole damn town will come on out to welcome me  
Oh they will open all the doors and give it all to me  
Oh no, but still youre voice is ringing in my ears  
Don't you want me anymore ? Don't you want me anymore ?

And I can't, I can't believe it's happening, I know that, oh th  
ere must be some mistake  
You've found yourself another lover and you're glad we made the  
break  
Oh you don't even, you don't even want to see me, you just wann  
a wave and say "Goodbye"  
Go away now and leave us alone, no this house is not your own

And now the whole damn town has come around to laugh at me  
Oh they can stare for ever more, you do not care for me  
Oh they can stare now for a hundred thousand years  
Don't you want me anymore ? Don't you want me anymore ?
