Here in the night love takes control
Making me high making me whole
I don't know, oh no no no
No I don't know, no no no no I don't know

When I close my eyes I can see you lowering yourself to my level
I don't know where you got those clothes, you can take them off if it
makes you feel better

Don't stop it now, now is so right
Now as the day slips away and we slide into night
I don't know, oh no no no
No I don't know, no no no no I don't know

I open my eyes and you're there, even better in the flesh it would seem
I'm so ready and willing and able it's untrue, to act out this love scene and make my dreams come true
And how many others have touched themselves whilst looking at pictures of you ?
How many others could handle it if all their dreams came true ?

I don't expect you to answer straight away
Maybe you're just having an off day
But I need to believe in you, yes I do, yes I do

Oh I want you here in my heart, here in my head
Live all your dreams for tonight here in your bed
I don't know, oh no no no
No I don't know, no no no no I don't know

So roll the soundtrack and dim the lights 'cos I'm not going home tonight
This love scene has begun. There's nothing left for us to do but get it on
Let's make this the greatest love scene from a play no-one's thought up yet
I know you're feeling the same as me but what you gonna do about it ?

Now here's an exclusive: I've wanted you for years
I only needed the balls to admit it
When the unbelievable object meets the unstoppable force there's nothing you can do about it
No. I will light your cigarette with a star that has fallen from the sky
Breathe in, breathe out, I love the way you move
Don't let anyone tell you any different tonight

You are beauty, you are class,
You showed it all but you still kept a little piece back just for me
A little piece back just for me, just for me
Oh I don't know how you do it but I love the way you do it, when you'

re doing it to me

And if this is a dream then I want to sleep for the rest of my life

For the rest of my life, for the rest of my life, for the rest of my
life
