

Keep It Simple

Puya

When it's time to get down
To reach out or to make it
Follow your instincts
Don't let your brain take it
Simple as that, first gotta walk
It don't take long it only takes time
Search inside, now you see the light, it ain't complicated
It's just the rhythm of life
Fly away and take off
Fly away and keep it simple

No te confundas por las complicaciones
Com calma navegas por un mar de decisiones
Y ahora puedes ver que todo lo esencial
No siempre tiene que ser lo material
'Cause there's always a situation that requires the elevation
Of the mind, the body and the soul
No break it down and don't lose control
You gotta take it in and keep it goin' on but keep it simple
Keep it simple
Keep it simple
Keep it simple

A la hora de bregar de componer o resolver
No te compliques la vida mas de lo que es
La alternativa simple esa la que brega
De todos es siempre la mejor manera
Sigue tu instinto el te va guiar
Y no te sientas mal si nadie piensa igual
Porque al final tu lo vas a notar
Tu siempre sabes de donde vienes y pa'donde vas
So keep it simple
Keep it simple
Keep It simple
Keep It simple
