

When the tyrant lost his head  
No more tears were shed  
You dreamed about a world of splendor  
A lasting guarantee:  
A plain democracy  
To cast aside the old agenda

There's a need for great impact  
In the wake of such an act  
Approaching you in search of contact

Heir apparent coming through  
Ticker tape parade debut  
The madness is over  
Heir apparent's here to speak  
Redemption to the poor and weak  
A rush of vigor

When power changes hands  
The list of new demands  
Overshadows best intentions  
Chaos takes its toll  
When the people want control  
Just another foul convention

But tonight it's getting done  
Free thought for everyone  
Look out for the new horizon

Heir apparent coming through  
Ticker tape parade debut  
The madness is over  
Heir apparent's here to speak  
Redemption to the poor and weak  
A rush of vigor

When you sacrifice yourself  
For what you believe in  
There's a chance you might succeed, no!

Heir apparent coming through  
Ticker tape parade debut  
The madness is over  
Heir apparent's here to speak  
Redemption to the poor and weak  
A rush of vigor.
