Q and Not U

Taq! Can't take it out, forever your name Can't rip it out, forever your language Can't take it out, forever your country Can't rip it out, it suits you, it suits you My name is your symptom, your currency, your fragrance Who are you? who are you? Stranger, will your please trade your names with me? Recover my body and rifle through my pockets No identification and no proof of identity No marks on the body, no patterns in the fingerprints No blood, no scars, no teeth, no nothing Still, I know you, I know you My name is a nation My name is a correction My name is a condition My name is a request that you tell me nonfiction Tag-tag! Speak nonfiction Teach nonfiction Bleed nonfiction Tags: mercenary, employee, lover, brother, civilian My name is in exile My name is an expat My name is held captive My name is a prisoner 'til you tell me nonfiction
